# Virtual PD Drop-In

Modified Programming Schedule

**March 19, 2020**

## — What is ETV's "At-Home Learning"?

- Collaborative brand between SCETV and SC Department of Education
- Designed to address the broadband challenge --
  - 290,000 homes in South Carolina that do not have access to broadband (Connected Nation, 2018).
  - 79 public school districts and nearly 800,000 students
- Resources for educators and parents transitioning to online/blended learning
- Provides online and broadcast resources

# — What does ETV's "At-Home Learning" Look Like?

## •Online Resources

- [www.scetv.org/athomelearning](http://www.scetv.org/athomelearning)
- Curated lists of resources
- Professional Development for educators
- Information for parents

## •TV Programming

- Modified schedule with standard-aligned content
- Will provide supplemental instructional materials that may be used by teachers and parents

## — How did we select resources?

- SC Department of Education identified critical needs
- Staff assessed current inventory of SCETV resources
- Focused on core curriculum areas
- Included additional requests for career education, the arts, and standardized test prep
- Selected resources that would aid in review of standards and content already covered

## — Additional Information

- Broadcast schedule will be updated online, reflected in the TV guide, and disseminated via weekly email to ETV newsletter subscribers
- Teachers may also consult districts for modified schedules
- Supplemental resources and activities available on ETV At Home Learning starting tomorrow
- Follow SCETV on social for live updates
  
- Share your ideas!
